Community Cleanup Day

Saturday, May 20th
8:30am—11:30am

MANA volunteers [that's YOU] will clean up Martin Park and Bear Creek from 8:30 until 11:30am. Then, from 11:30am until 1:30pm, we will all get together for a post-cleanup celebration in Central Park at the band shell (SE corner of Broadway & Canyon, near the farmer's market). For all Community Cleanup participants, the city will provide free food and drinks and everyone will receive a free one-day pass to the Boulder Reservoir. There will also be a prize drawing for items such as gift certificates from Western Disposal and Eco-Cycle, gift certificates to various Downtown Boulder stores, a one-day pass to any Boulder recreation center and more! In order to assure there is plenty of food and supplies, sign up by contacting MANA coordinator Mark Stangl: vp@martinacres.org or 499.3163.

MANA Calendar

Listed below are the local events MANA discussed at our April meeting. MANA hopes to have at least 3-4 special topic meetings this year, so keep your eye out for meeting topic updates! You'll notice, in most cases, MANA-sponsored events listed below provide the coordinator's contact info. Please feel free to contact the coordinator directly to volunteer to help out with the event or to learn more. There are a few events that need a Champion to lead — please consider getting involved!

Please note: all "residents" are encouraged to participate in all events!

Tid Bits

:: Furnace Maintenance

Have you had your furnace checked out recently? Neighbor in Martin Acres had a fire in March due to faulty furnace.

:: Sidewalks

Spring's here and summer's just around the corner — hope to see you out for a stroll! Please remember to keep sidewalks clear of stray bushes, branches, and weeds.

:: MANA Treasury

As of 3/31/06: \$2,563

:: Consider a Block Party

Block parties are great ways to get to know your neighbors a little better. The city has recently made the 'process' a bit more friendly; check it out: www.ci.boulder.co.us/comm/pressrelease/2005/0506b.htm.

:: Chopped & Topped

Amazing how Martin Acres is evolving with the trend toward popping up. Lookin' good! MANA hopes to host a meeting on this topic this year.
