MANA ANNUAL MEETING

A lively crowd attended MANA's Annual Meeting on March 13th – many of them attracted by discussion of the issues raised by the proposed Women of the West Museum/South Boulder Creek Annexation (see attached sheet for a chance to express your opinion). New officers, as listed on the reverse, were elected and the regular business of the Association was conducted.

SOME ACTION AT LAST!

Despite delays caused by our April snows, Parks staff members are still hopeful that their target date, Memorial Day, can still be met for the much-enlarged Martin Park play area. Equipment has been ordered, and there has been some digging and concrete busting. A more realistic completion might be mid-June, but let's keep hoping for the earliest possible.

VOLLÉYBALL, ANYONE?

Spring is in the air! Let's get together for volleyball each Monday evening at Martin Park and get to know one another. Thanks to neighbor Claudia Simoneau of Gart Brothers, we have a brand-new ball and net. Now we need some folks who'll be responsible for setting up and dismantling the court one Monday night per month. The game will begin at 5:30 pm, starting May 15 (weather permitting). If you don't play, cheering sections are always welcome! For info, call Jill Marce at 494-3863.

HAVE YOU SEEN THOSE SIGNS?

You've probably seen those attractive, attention-getting 25mph signs around the neighborhood. More are in the making, and we'll see that you have one for your yard – especially if you live on a through street like Moorhead, Martin, 38th, 42nd, etc. Call Steve Altermatt if you have a place for one, or if you have any old signs we could paint over and use for the purpose.

SPRING CLEANUP: ORGANICS ONLY!

From May 1 to May 5, city crews will be picking up leaves, grass clippings and tree branches in our part of town. Residents are asked to put leaves and grass clippings into paper bags and cut tree branches into maximum 6-foot lengths.

YES, THERE WILL BE PANGAKES!

At our annual Pancake Breakfast in the fall, that is – especially when we find a chair for the event. Call Steve Altermatt, 494-2749, to volunteer.

HOST A STUDENT

You and your family can make a vicarious trip to the Orient this summer by hosting a Japanese student in your home for three weeks, July 22 to August 12. High School-age girls will attend classes on the C.U. campus and participate in excursions weekdays from 8:30 to 5:00. Staying in the homes of American families will give them an opportunity to learn about our culture and customs. You can share in this wonderful international experience by calling Joy Weinstein at 442-3112 for more information.

MORE ABOUT XERISCAPE

A final Introduction to Xeriscape session will be held at the Tree House Nursery on Saturday, May 20. For more information, call 449-8733. And don't forget the Garden Tour sponsored annually by the Boulder County Mental Health Foundation on Saturday, June 24. More on this event at 442-5174.

A MUSICAL GIFT TO MARTIN PARK

Paraeducators Judy Whannel and Margrit Staehelin will present Martin Park students and families with a very special concert combining music and choreographed sign language. Scheduled to be presented on May 7, at 3pm, in the Fairview High School Auditorium, "Hands in Harmony" creates a total entertainment package that brings a unique treat to audiences of all ages. Martin Park students will have the privilege of performing in concert with the group. A rare opportunity, indeed!

VOICE CHANGES HANDS

Your current VOICE staff says "30" with this issue. "It's been a pleasure!", say Jean and Laura. Delivery will continue to be faithfully managed by Helen and Everett Childs, and carried out by area coordinators and block captains.

CLEANUP SCHEDULE

For May: Gary Guber/Lynn Altschuler For June: Paula Vaughan

LOOKING AHEAD...

Mark Bailhache asks that we keep our eyes open for worthy home improvements and updated gardens (xeriscapes, perhaps?) for our Green Thumb and Busy Hands awards in September. Make your nominations by calling Mark at 499-6358.
