

TRAFFIC PLAN

The next MANA meeting will be held on March 11th, 7:00 at the Martin Park school cafeteria. The neighborhood traffic mitigation plan for Moorehead and Martin will be discussed with a stellar panel including Sgt. Bob Etkorn of the

Boulder Police, Randall Rutsch from the City Transportation Master Plan, City of Boulder Transportation Department

neighborhood mitigation staff member Dave Menter, School Board member Kim Saporito, City Counselwoman B.J. Miller, and hopefully you. Moorehead Avenue is next on the City's mitigation plan.

Happy St. Patrick's Day

CALL FOR NOMINEES

Elections will soon be filling back rooms with smoke (actually an environmentally friendly mist made from echinacea and blue green algae) as the neighborhood watches, impatiently waits and finally heaves a sigh of relief as we find out who will win it all. And the nominees are:

- President - Steve Altermatt
- Vice President - Cam Marshall
- Secretary - Diane Apparasio
- Treasurer - Sherry McGlochlin

Thanks to the nominating committee for enduring those smoke filled meetings. They are, Lynn Altschuler, Zach Miller and Natalie Shrewsbury. Any additional nominations you'd like to pass along? Call the nominating committee.

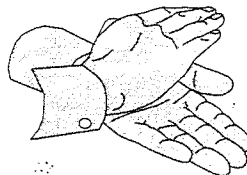

HAPPY ANNIVERSARY

This fall will mark the 40th anniversary of Martin Park Elementary School. The school is looking for a person with roots in the neighborhood to join with them in planning the festivities. Call Paula Vaughan at 499-3615 to volunteer.

MARTIN ACRES ECOPASSES

If you notice fewer cars on our streets in the next few months, thank Susan and Chris Holloway and all your neighbors who bought EcoPasses from

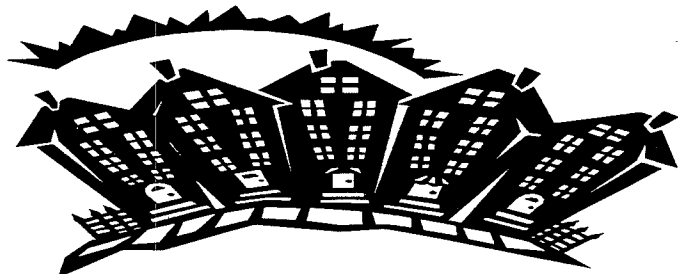

RTD. Susan and Chris coordinated, got information and materials out, called nearly everybody, and generally were the guiding force

behind getting bus passes for a lot of the neighborhood. Now we just have to remember to save money and wear on our precious autos by taking the bus. I even like my picture on my new pass.

HOME TOUR ANTICIPATION!

Martin Acres has some of the most unique home remodels in the city. The Annual Martin Acres Home Tour is scheduled for Sunday, May 19, 12-5 (rain date June 2)! To nominate a home for the tour, please contact Steve Altermatt at 494-2749. Volunteers are needed to work in the homes the day of the tour, call Cam Marshall (499-2008) if you're interested - *workers get a free ticket!* Tickets will be \$5.00/\$3.00 for seniors - proceeds are donated to Martin Park Elementary. Come visit some of the best Martin Acres homes, get ideas for your own and walk the neighborhood on a fine spring day.

ICE BUSTERS

Hello, does anybody own a snow shovel and a strong back out there? The Ice Busters program still needs volunteers for the Martin Acres area to help shovel walks. Much as we hate to admit it, March is the snowiest month of the year around here, so please call Alice Matsin at 441-3239 and help out.

And while we're on the snow shovel subject, remember that city regulations require that your walk be shoveled by the end of the first full day after the snow falls, and neighborly etiquette suggests that, when the weather gets inclement, please shovel your cement.

SPEAKING OF VOLUNTEERING

Fuller Court needs a new block captain. If you can make some time, please call Cam Marshall at 499-2008. Archeologists thousands of years hence will wonder "Who was this block captain and why was she so revered by her fellow citizens?"

PLAYING IN THE PARK

If we didn't leave the park outside all the time, it wouldn't get dirty. That theory is too hard to test, so we'll have to keep on cleaning it up. The duty descends on Pat, Darrell and Russell Mehring for the month of March; the Throckmortons, Paul, Beth, Katie and Paulie get April; Gary, Lynn, Casey and Dana Guber and Altschuler will handle May with an assist from the Priem family; and Ed and Eunice Lundberg will pluck trash in June. If there are any changes that need to be made in this schedule, please call Kendall Miller at 499-3615 and thank you one and all.

PAINLESS FUND RAISING

Martin Park Elementary School's most important fund raiser goes on all year. If you buy a \$25 grocery certificate good at King Sooper's, Safeway, or Wild Oats the school gets \$1.25. You spend the certificate just like it was cash at the appropriate store and receive your change in US currency. It's as simple as that. Certificates are available at the school office and will also be available at the March 11th MANA meeting.
